Back to School Highlights

President's Message- August 2

We had a great "Back to School" program last week with the wonderful assistance of Stacy Perlman and FCS Area Superintendent Angela Parham. These two ladies came to the rescue when our speaker developed laryngitis overnight. We met our new Roswell High School principal LaToya Miley and heard about our donation of 23 full backpacks and many more school supplies to North Fulton Community Charities thanks to the awesome work of Courtney Lott and June Brown.

This week we will highlight a school program that went on hold in the spring of 2020 like so many other things in our lives - Rotary Youth Exchange. Come learn about this international exchange program for high schoolers and hear from our outbound student Revie Pierce who is headed to France for a year. And our inbound student Noppasorn (LaNeige) Iemsanguanjit arrives Tuesday night from Thailand for a year of study at Roswell High. Hopefully she will be able to join us on Thursday for lunch before the school year starts August 8th.

It's also been great to see members who have been away for health and other reasons for over two years. I look forward to the day when we have to add back the long tables along one side of the room to accommodate everyone.

See you Thursday!

Donate Tomorrow (Wed, Aug 3)

Getting Someone to Donate Blood is the Definition of "Service Above Self"

And we'll reward the donation of a pint of blood with a pint of outstanding craft beer. Pint for a Pint. Wellstar's Lori Allen shared a story at Rotary last Thursday that reinforced the need for donations of blood. The reality is that with all of the brilliance, ingenuity and perseverance, mankind is not able to make synthetic blood. Wellstar and our community need what's in your arm. But if you're part of the 65% of the community unable to donate blood, we need you to volun-tell a friend or family member to donate in your honor! We'll let the two of you figure out who gets the 'thank you beer.' Make it a "Call To Action" to be accountable for getting of one pint donated. It's a simple process that makes you feel so good when you deliver!
