Skipper Hoke Scholarship Presentations

While I am off in Finland chasing the Northern Lights, Past President Becky Stone will be stepping in to lead the February 6 meeting, where we will honor students from Roswell High School, Fellowship Christian, and Blessed Trinity as part of the Skipper Hoke Athletic Leadership Awards. It's always an inspiring session to see the incredible talent and dedication of our local students. Please be sure to attend and show your support for these bright young scholars! *See story below in newsletter for more information on this award.*

Polar Plunge last Sat.

It was a beautiful day for the Polar Plunge in Alpharetta. The power of collaboration between Rotary Clubs was strong and Roswell Rotary was well represented. Our own District Governor **Gordon Owens** was the Belly Flop Champ, **Kaho** our Rotary Youth Exchange Student took the leap, we had jumpers from **Roswell High School Interact Club**, and Plungers and spectators from our club! *See pictures at the end of this newsletter.*

Greetings from Finland and see you soon!

Program this Week- Skipper Hoke Awards

Skipper Hoke Athletic Leadership Awards

For over 30 years Roswell Rotary has honored a player on the Roswell High School football team who exemplified leadership throughout his football career. This award is voted on by his peers - his fellow football players. Originally called the Outstanding Leadership Award, for years we invited the entire football team, coaches, and cheerleaders to join us for lunch to honor the recipient of the award.

We expanded our awards to honor leaders from our two other high schools on Woodstock Road in 2022 - Fellowship Christian and Blessed Trinity Catholic High Schools. This year we welcomed the award winners, their families, and coaches to our lunch meeting to receive these honors. Longtime member **Skipper Hoke** was a banker, community leader, and a huge booster of all things Roswell High School and its sports teams. For years he helped lead our Roswell Rotary Relays, often working the scoring table throughout the day. After his death in 2016, we renamed this award after him to honor the impact and dedication Skipper gave to our young people and athletics in our community.

This year our keynote message will be given by **Michael Haynes**, former NFL football player (and excellent golfer at RRC's Aubrey Greenway Golf Tournament)! Michael was a 7th round draft pick of the Atlanta Falcons in 1988. He played his first 6 seasons with

Honor Air Looking for Veterans

Trip to Visit War Memorials April 9th

CALLING ALL VETERANS (who have never been on an Honor Air Trip)

Roswell Rotary Honor Air is accepting 50 applications from US War veterans, America's heroes, for a **complimentary free day trip to visit their Memorials in Washington DC on April 9, 2025.**

Many of the men and women who fought and sacrificed for our country have not had the opportunity to visit their own Memorials. Our World War II veterans and also our Korean War veterans are facing health challenges so time is of the essence for these great men and women. In addition, we want to give our Vietnam War veterans the "Welcome Home" they never received, honoring their service, sacrifice, and commitment to our country.

Here is how the Honor Air works: Approximately seventy World War II, Korean, and Vietnam War veterans plus guardians, a doctor and emergency personnel will gather at the Roswell, GA Community Center in the early morning hours and travel by motorcoach to the Atlanta airport. They will fly on a chartered plane to Washington, D.C. where they will be escorted on buses from the Ronald Reagan Washington National Airport to the World War II Memorial. Then they will visit the Vietnam and Korean Memorials and the Tomb of the Unknown Soldier at Arlington Cemetery. That same day they will return to the Reagan airport, fly back to Atlanta and then by bus to Roswell. Every veteran will have a volunteer guardian to personally assist them. Veterans will be encouraged to take advantage of the complimentary wheelchairs throughout the day.

Rotary Foundation Miracle

El Mandamiento multiplies from small donation of \$5,000

How did a \$5,000 donation from the Rotary Club of Roswell, Georgia, become the seed of something extraordinary.

Rotary Foundation: Multiplying Impact, Building Peace, Changing Lives

In 2004, a modest \$5,000 donation to the Rotary Foundation from the Rotary Club of Roswell, Georgia, became the seed of something extraordinary. Through the Foundation's matching program, it grew into \$20,000—funds that helped launch a transformative project in Pilar, Argentina. This grant supported two critical initiatives: "El Mandamiento," a soy-based food processing kitchen feeding thousands in community kitchens, and essential equipment for the municipal hospital. The ripple effects of this

single grant have been profound and far-reaching.

The Power of Rotary Foundation Dollars

The impact was immediate. Over the past 21 years, "El Mandamiento" has continued to feed countless people, while the hospital's surgical table has saved countless lives. But the story doesn't end there. This project awakened the local Rotary Club of Pilar to a new reality—that Rotarians from across the globe cared enough to make a significant investment in their community. It transformed their club from a social organization into a dynamic force for good, inspiring new leadership and a reinvigorated mission.

The story illustrates how Rotary grants do more than fund projects—they build bridges, create friendships, and inspire peace. The collaboration required to execute these grants fosters empathy, trust, and global fellowship. Rotarians in Roswell and Pilar didn't just work together; they became lifelong partners, and dear friends, in service. [\[read more\]](#)
