

NEW GRSP Student set to Arrive

The Rotary Club of Henry County will be welcoming our new GRSP student **De Assis Moura, Maria Augusta Ferreira**. Maria is set to arrive August 3rd around 10:30 AM at Hartsfield-Jackson Airport, and we would love to have as many

Rotarians there to greet her as possible.

SAVE THE DATE—Since Maria's Birthday is August 7th the Club is planning a Birthday party for her at the Home of Laura and Dave Crumbley on Monday evening 8/7/17 - details forthcoming

Who is Maria Augusta Ferreira

Maria is 21 years old and was born in 1995 in Botucatu, Brazil which is located in the southeastern region of Brazil. She is most interested in studies pertaining to Fashion, Psychology, Philosophy, and History. She hopes to fully understand and help others to communicate exactly what they want when wearing an outfit.

Maria applied to the GRSP program because she wanted to know as many cultures as she can. She believes learning and understanding different cultures is how to establish peace. While visiting the US, she would like to learn about American politics, health system, economy, and our school system.

Maria thinks of herself as pro-active, organized, patient, and sociable. She loves spending time with children and is not afraid to take on a leadership role when necessary. She has found her best work is in a group setting where she takes the lead position. She believes after a year of GRSP she will have a better understanding of the world and be in touch with the American culture and other cultures from other GRSP students.
