

October Speakers

Dr. Andrea Bowens-Jones is a former Procter & Gamble R&D Section Head (Cincinnati, OH) and founder of the Resident Scholar Program, a youth STEM (Science, Technology, Engineering, and Math) job shadowing program. It's now a premier program for talent pipeline development at Procter & Gamble and Duracell Companies. Dr. Andrea cares deeply about helping people recognize and walk into their individual greatness, whether that be in the sciences or just in life.

Dr. Andrea resides in Conyers, GA with her husband, Chester, and their three daughters (Amari, Alana, and Alysa).

June Wood was elected as Chair of the Henry County Board of Commissioners in the December 6, 2016, General Election run-off. Active in the Henry County community for many years in various civic, educational and business endeavors, she also spent more than 26 years in a career with Georgia Power, retiring in 2013 as Georgia Power's Metro South External Affairs Manager, where she served Clayton, Butts, Henry, South Fulton, Fayette and Coweta Counties.

Wood is the past Chair of the Henry County Chamber of Commerce Board of Directors and previously served as the Henry County Chamber of Commerce's Vice Chair of Government & Education, as well as the Chair of the Henry County Chamber's Education Foundation. Wood and her husband Michael have two daughters, Junee' and Junette, and five grandchildren.

ROTARY HUMOR

A doctor, lawyer, and a Rotarian in charge of fundraising all die and arrive at the Pearly Gates about the same time. St. Peter tells them they may each have one thing to take with them to Heaven.

The doctor is first, and asks for \$1 million. This is given and proceeds to enter Heaven. The lawyer, not to be outdone, asks for \$2 million. "Very well," say St. Peter and opens the gate to Heaven for the lawyer.

Finally it is time for the Rotarian, who had just finished a fundraising project for The Rotary Foundation. St. Peter asks him what he would like to take to Heaven. The fundraiser moves up very close to St. Peter, and in a soft voice asks, "It's not too much trouble, could I just have the names of those two people who were ahead of me in line?"

October Meeting Schedule

Lunch Meetings:

- October 2nd – Hazlehurst House
- October 9th – No Meeting
- October 16th – Hazlehurst House
- October 23rd – No Meeting
- October 26th – Rotary After-Hours – TBD

- November 13th — No Meeting
- November 16th — Rotary After-Hours—TBD
- November 20th—No Meeting—Thanksgiving Holiday
- November 27th—District Governor Visit

WORLD POLIO DAY

24 OCTOBER 2017

World Polio Day was established by Rotary International over a decade ago to commemorate the birth of Jonas Salk, who led the first team to develop a vaccine against poliomyelitis. Use of this inactivated poliovirus vaccine and subsequent widespread use of the oral poliovirus, developed by Albert Sabin, led to the establishment of the Global Polio Eradication Initiative (GPEI) in 1988. As of 2013, GPEI had reduced polio worldwide by 99%.

Polio is a crippling and potentially fatal infectious disease. There is no cure, but there are safe and effective vaccines. Polio can be prevented through immunization. Polio vaccine, given multiple times, almost always protects a child for life. The strategy to eradicate polio is therefore based on preventing infection by immunizing every child until transmission stops and the world is polio-free.

2017-2018 Rotary Board

President – Steve Moore

Vice President – Kerry Arnold

Secretary – Leslie Erwin

Treasurer – Laura Crumbley

Membership – Josh Duncan

Sergeant at Arms – Wells Wheeler

Foundation – George Siggins

Public Image – Torrie Sunstrom
